

TEOXANE

Teoxane RHA® 3

**More Product.
More Possibilities.
No Compromise.**

The **RHA®3** you all know and love, has had an upgrade and to make sure that you are getting the most value from our incredible range, RHA®3 will now be produced as a **1.2ml syringe** - giving you an additional **20%** more product at no extra cost and offering even greater value for your clinic and your patients.

TEOXANE. INJECT **MORE BEAUTY** INTO **YOUR LIFE**

With this upgrade, you can:

EXPAND YOUR VOLUMISER PORTFOLIO

Strengthening your clinic's collection of advanced volumisation solutions.

OFFER MORE VERSATILITY

Delivering tailored treatments for a wider variety of patient needs and facial indications.

ACHIEVE MORE, WITHOUT COMPROMISE

The same trusted RHA[®]3 formulation, now with more product in every syringe.

RHA[®]3 has long been recognised for its ability to provide natural-looking volume with resilience and flexibility. This redesign brings greater efficiency and more treatment possibilities to support you in delivering exceptional results.

Upgrade your volumisation offering today with Teoxane RHA[®]3.
