Innovation in Skin  
Biorevitalization

*Plant-based exosomes designed  
for skin health and rejuvenation.*

MADE IN SPAIN

# Leading the Future of Anti-Aging Treatments

Exonov turns science into visible results. With advanced biotechnology and the power of plant-based exosomes, it offers your clients a **deep rejuvenation**: a revitalized, firmer & radiant skin with a natural glow.

## Nature and Beauty in Perfect Harmony

Our formula harnesses exosomes derived from centella asiatica and roses, packed with bioactive compounds such as proteins, RNA, lipids, and antioxidants.

These natural messengers activate regeneration and stimulate collagen and elastin production.

- ★ **4 billion exosomes** for optimal performance.
- ★ **Hyaluronic acid** for deep hydration.
- ★ **Polynucleotides** for improved firmness and enhanced skin quality.
- ★ **Vitamins and antioxidants** for protection and nourishment.

#### WHY CHOOSE EXONOV
